

EPH

About us:

Energetický a průmyslový holding (EPH) is a leading European energy group that owns and operates assets in the Czech Republic, Slovakia, Germany, Italy, the United Kingdom, France, Ireland, Switzerland, Slovenia, and Ukraine. EPH ranks among the TOP 10 largest power producers in Europe

As our group continues to develop and grow in renewable energy activities, we are looking for a new colleague to join our Analytical team with focus on renewables. Primary focus of this position is on onshore wind and solar PV projects located on our own sites predominantly in Germany, as well as on relevant acquisition opportunities.

What you will be doing:

- Financial modelling of wind and solar projects, reviewing individual projects, ensuring project profitability and challenging via sensitivity analysis
- Fundamental modelling of the power markets and simulating impacts of decarbonization policies
- Participate in commercial analyses and decision making on all relevant contracts for renewable project development and construction (cooperation agreements, lease agreements, EPC contracts, PPA contracts, FIT/CFD auctions, financing contracts etc.)
- M&A renewables support concentrating on rationale checks, red flags and critical review of input assumptions
- Project management of selected strategic initiatives
- Provide relevant support to the top management in business planning and strategy

What we require:

- University degree with outstanding academic track record in economics, finance, mathematics, business
- Excellent analytical skills and common sense
- Genuine interest in renewables
- We welcome relevant practice during/after studies; the ideal candidate possesses at least 1 – 2 years of experience in some of the following areas: (renewable) energy industry, investment banking, transaction consulting, controlling, financing
- Advanced knowledge of financial modelling, statistics, corporate finance and valuation
- Advanced knowledge of necessary tools (esp. Microsoft Excel, PowerPoint)
- Excellent English skills – you will communicate with foreign colleagues and partners
- Intermediary German skills – a large share of projects is located in Germany
- Willingness to travel to Germany and other countries where we are present

What we offer:

- Competitive remuneration structure
- Varied and interesting job in a pleasant work environment in the historic center of Prague

EPH

- Nice team and informal corporate culture
- Strong and stable privately owned Czech company with an international dimension
- Attractive employee benefits
- Flexible working hours
- Permanent employment contract
- You can join us immediately
